

SNOW REMOVAL ORDINANCE IN EFFECT NOVEMBER TO APRIL

No person shall park, abandon, or leave unattended any vehicle on any public street, alley, or City-owned off street parking area from November 1 of each year until March 31 of the following year, during periods of snowfall or within 24 hours after snowfall– UNLESS the snow has been removed or plowed from the street, alley or parking area and the snow has ceased to fall. If your vehicle is parked in the street during snow removal, your vehicle **WILL BE TICKETED** and the vehicle will be towed if not moved in a timely manner. Persons who commute may leave their vehicles at Tool's Point Park and people who live around the town square may park at the Red Rock Park parking lot near the water tower. It takes several hours for snow plows to cover the city. Resident cooperation is the key to helping the city remove the snow in a timely and safe manner.

SIDEWALK REMOVAL OF SNOW AND ICE

It shall be the responsibility of the abutting property owners to remove snow, ice and accumulations **PROMPTLY** from the sidewalks. If a property owner does not remove snow, ice or accumulations within 48 hours following the end of snowfall, the city may do so and assess the costs against the property owner for collection in the same manner as property tax.

If you have any questions about snow removal, you may call City Hall at 259-2319. Thank you for your cooperation.
